

Minutes from the Parish Finance Council meeting Jun 04 2018

- **Polish Bridge Club** – the rent of the parish hall will be discontinued. The hall will be used only for the church purposes. Some individual exceptions may be considered.
- **Sewer and drain project** – two estimates have been submitted. Both of them do not meet formal standards in order to be further submitted for the archdiocesan approval. Because Fr. Rastislav will leave at the end of August, the time is short to proceed with administrative matters.
- **Fire safety** – as there are no drawings of the church and the hall, the drawings must first be made in order to complete all the fire safety measures.
- **Parish Hall Rental Fees** – fees must be updated considering inflation.
- **Sets of envelopes for 2019** – as for the year 2018 only 85 sets of envelopes were ordered. For the year 2019 - 100 sets will be ordered.
- **Frank Lasciak's last will** – the Archdiocese will take care of the completion of the probate of his last will.
- **Eritrean Catholic community** – their proposal of how to use the church will be discussed at the next PFC and PPC meeting.
- **Handing over** – in case Fr. Rastislav will leave in August, the PFC will be responsible for communication with the priest in charge of St. Cyril and Methodius Church.
