All Masses, whether Sunday or weekday, beginning on Friday, November 20 and until further notice, are to be offered without a public congregation. This directive likewise applies to other liturgical services as well as to social activities and gatherings held in church facilities. The new order from the Ministry states: "In-person religious gatherings and worship services are suspended under the order. For example: Do not attend a church, synagogue or mosque service." Wherever possible – that is, whenever the health and safety of the community can be scrupulously attended to – churches may remain open for private prayer, Adoration and individual Confession.
